

ATTFE College Learner Newsletter

Issue 1 - Friday 10th September 2021.

Liz Barrett

Principal Update

WELCOME to the **ATTFE College 21/22 academic year!** We are thrilled to have you as an ATTFE College learner. You will be very well looked after by our fabulous team of tutors, support workers and staff. The team have a wealth of experience in their specialist area but also in leadership and management roles in education.

We are committed to listening to all learners and taking action where needed to ensure that we constantly improve our quality of provision and our learner experience. The ATTFE College 'learner voice' 21/22 calendar will ensure that all learners have an opportunity to share their thoughts as to what is going well on their learner journey and any aspects that could be improved. Should you

however wish to raise anything about your learning at any point please phone our learner hotline on [07724257141](tel:07724257141) to share your views.

I wish you all the very best in your learning journey with us and I look forward to meeting you in person soon.

Safeguarding Update

Hello and welcome to ATTFE. You have made the right choice.

My name is Simon Martin and I am the Designated Safeguarding Lead (DSL) for ATTFE.

We are a College that has the safety and safeguarding of students at our heart. You will receive lots of information and guidance about safeguarding from your tutors, and from the College, as you progress through your course.

However, we also want you to know that you can contact us at any time if you have any issues or concerns, whether that is for yourself, or for another student. Our staff will always listen to you and take you seriously if you have any problems that you want to talk to us about. We will help, and we have access to a wide range of organisations that can provide expert and specialist support for a wide range of problems.

You can speak with any member of staff who you feel most comfortable with. That might be your tutor, or it might be someone different. It doesn't matter. You can also email us on:

safeguardingreferrals@attfe.org.uk

On our website we also have the 'I Want to Talk' button which means that you can use this raise any issues or problems online, at any time, from anywhere. It goes straight through to our Safeguarding Team and is completely confidential.

I will be here in every Learner Newsletter so I look forward to speaking and meeting with you again soon.

Head of 16-19

A massive hello to our new learners and a massive welcome back to our returners!

You will see a few new staff faces this year. Shelly continues to be your main admin contact for all things bursary, lunches and information. Emma is one of our new pastoral and engagement team members, working alongside Shelly to support learners that are absent and have any safeguarding needs.

Michaela is our new Engagement and work Experience Tutor/Support for PoS and will be leading on enrichment and PHSE sessions. Heather will continue her role as CEIAG advisor and will speak to you three times a year to discuss careers and complete tutorials with you. Heather will also be able to provide further guidance on request.

You will also see that we have lots of new support staff and a brand-new coaching team for individual and small group support for Maths and English.

We are busy making plans for more trips out and looking at new ways of supporting our local community. We are also eager to provide extracurricular activities. If you have any thoughts about things you would like to do please shout up. Some suggestions have included walking clubs, football and a college choir!

Emma and Sally have done a fabulous job organising the minibus and taxi services for our far-flung learners. If you need support with transport or have a change of plans or simply cannot make the bus please let us know. Please remember those that live more than 3 miles away from college can claim their bus fares back via Sally and Shelly.

Regarding bursary, we are currently looking at bursary claims and hope to get them processed as soon as possible. Please note we cannot process claims without evidence! So please complete your enrolment forms including any missing bits or we cannot pay you.

There have been some fantastic trips out this week to Portland Adventure Zone where learners have enjoyed climbing, zipwire and orienteering activities... not to mention the water blaster fights! The Desert Rats also came in to entertain you all with team building activities on the Dukeries site. They will be coming to Sutton in November.

We hope you have a fantastic time with ATTFE, my door is always open to chat if you are worried about anything!

Looking forward to seeing you all in college
