

ATTFE College Learner Newsletter

Issue 6 - Friday 10th December 2021.

Liz Barrett

Principal Update

Dear All

This is the final learner newsletter of our Autumn 2021 term. It has been brilliant to meet you this term and to see the work that you are achieving. Lifelong learning is a very special gift that we give to ourselves which links in beautifully with our December learning theme of 'giving'.

Lifelong learning is often (but not always) about achieving a qualification that can help us to gain employment, move forward to a different job, improve our

quality of life etc. However, I know from seeing you in your classes that you have also discovered the additional qualities and benefits that can be experienced through lifelong learning such as making new friends and developing confidence. Take time to embrace all of these experiences as they will help you in many different ways.

It is joyful to be able to celebrate what you have achieved this term with myself and ATTFE College staff loving the photos of your learner celebrations. Any learning achievement is always special, but you guys are achieving in a tough covid landscape so extra cheers are needed!

ATTFE College will be closed for two weeks over Christmas. We appreciate that Christmas can be a challenging time for many different reasons. In our absence if you need any help / support / someone to talk to etc please refer and reach out to the emergency contact details below.

We look forward to seeing you back in College from the 4th January 2022.

Take care and keep safe.

Liz Barrett

Principal ATTFE College.

Simon Martin

Safeguarding Update

Hello Everyone

Christmas is a happy and festive time for most people. However, it may also be a time of increased family and household tensions, especially with the Covid restrictions which may be coming back and limiting what we can do. So, included with this Newsletter is a list of agencies that you can contact over Christmas if you need support with any difficult situations. [Safeguarding - Academy Transformation Trust Further Education \(attfe.org.uk\)](https://attfe.org.uk).

Also attached to this Newsletter is the latest UK Protect advice sheet which outlines the need for Winter Vigilance and what we can all do to help keep ourselves safe.

Thanks

Simon Martin

Tracey Cranmer

Subject Leader Study Programme Maths & Access to HE Manager

Please see below your timetable for mocks next week. Please meet 10 minutes before the start of your exams to ensure a timely start. This will mean approx. 9:50am for 10am exams and 12:50 for 1pm afternoon exams. Meeting place is either the Construction Centre if studying at Sutton Centre or the Open Learning if studying at the Dukeries.

For learners who attend all of their mock exams, you will receive a £5 love to shop voucher.

It is important that you attend and sit your mocks as this will help your tutors with tracking your progress and if there are any further lockdowns or if exams are affected we will need these and future mocks to be able to predict grades.

DUKERIES & SCA

TIMINGS	TUESDAY	WEDNESDAY	THURSDAY
10am start	GCSE Math paper 1 1 hour 30 mins	GCSE English paper 2 1 hour 45 mins	Maths paper 3 1 hour 30mins

1pm start	FS English Reading paper E3 45 mins Lv1 1 hour Lv2 1 hour		

Thank you for all your hard work so far this year and for co-operating with your tutors. The coaching team wish you a Happy Christmas and hope you enjoy your break and we look forward to seeing you after the break.

Sam Youd

Head of 16-19

Merry Christmas everyone!

We've managed to get to the end of the first term with not too much covid interference!

However just in case, please make sure your tutors know if you do not have access to WiFi or a computer at home. We can start work to ensure everyone has access to home learning if it's needed!

There have been some lovely smiling faces this week as you have tucked in to the treats in the Christmas welfare boxes. ☺☺☺

Some of you have received treats and certificates for outstanding work and attendance - well done, it's nice to celebrate positive things.

There have been some lovely Christmas related activities going on, making Christmas cards for mountain rescue, decorating classrooms, painting Santa's sleigh and even helping Santa on his rounds with the rotary club!

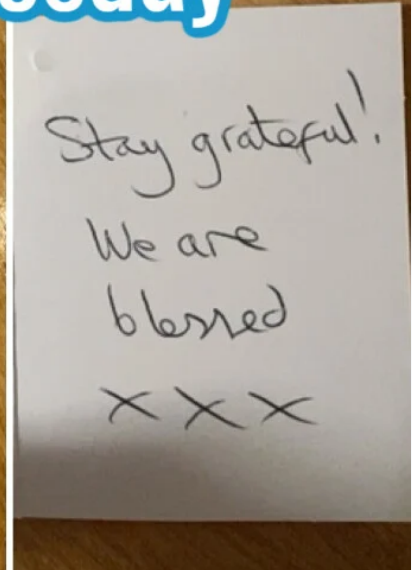

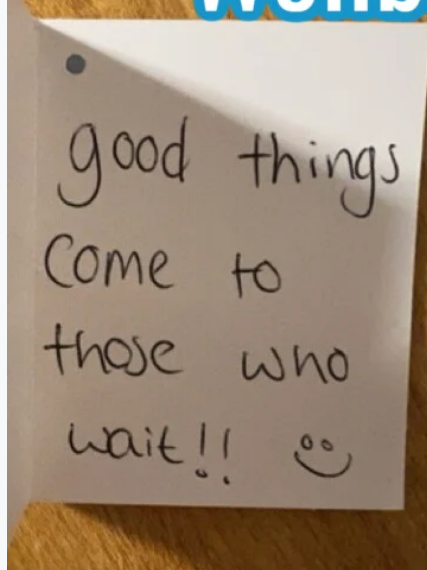

I wish you all a peaceful and restful Christmas and a very happy New Year!
