Issue 13 - Friday 6th May 2022.

ATTFE COLLEGE'S THEMED MONTH FOR MAY 2022.

Principal Update

Dear Learner

I hope that you are having a good week.

Attendance matters! Regardless of what course you are studying, attendance matters! **If you are not able to attend your class, please let your tutor know.**

Unauthorised PoS absence will be treated as a safeguarding. In the first instance Luke Braybrooke, ATTFE

College Engagement and Pastoral Officer will contact you to ascertain why you are not in College within the first hour of you being absent. If he isn't able to speak with yourself, he will then contact your parent/carer. In the event that we are unable to make contact we will treat your unauthorised absence as a safeguarding priority.

A reminder that **ATTFE College have a food club in Ollerton on Thursday afternoon and in Sutton on a Monday afternoon.** Details of our food clubs can be found in this newsletter. Food clubs provide a fantastic opportunity to access high quality food at an affordable price (you pay £3.50, and on average access £15 worth of food). The food comes directly from FareShare which leads the way nationally in reducing supermarket food waste.

ATTFE College have a shop in the Idlewells Shopping Centre in Sutton-in-Ashfield. We are keen to offer learners an opportunity to '**learn and earn**'. If you therefore have a hobby

(such as making greetings cards) that you would like to trial as a business, then we would be happy for you to contact us to have discussions around what learning we can put in to support you with this initiative. To support your business further, ATTFE College will work with you to offer you FREE space within our Idlewells Shopping Centre shop for you to sell your products from. To find out more please email t.price@attfe.org.uk.

I wish you a lovely weekend when it arrives.

Safeguarding Update

Hello Everyone

Please note that our Deputy Designated Safeguarding Lead (DDSL) is now **LISA CHAPMAN** instead of Rosie Riley. Rosie has shouldered this work for several years but with being part-time and a full teaching timetable, it is right for Lisa to now take this up as the Safeguarding Manager. Most (if not all) of you will know Lisa well from her presence around our sites at Sutton and Dukeries, and her work with our students. She will now work with me and the Safeguarding Team, and directly deputise for me as the DSL when I am not available.

Please find attached an information sheet from UK Protect about how to download their new app (ProtectUK). This will enable app users to share feedback with UK Protect, as well as receive updates and bulletins etc. The sheet also explains how to transition from the former ACT app to the ProtectUK app if you have (hopefully!) formerly downloaded the ACT one.

Please could you download this as soon as you get a chance. It is a very useful source of security and safety update information in 'real time' about terrorist threats etc and so it will help to keep you, your friends and your families safe.

Thanks

Simon
