Principal Update

Dear Learner

I hope that you have are having a good week.

ATTFE College ran a fun and vibrant HAF (Holiday, Activity and Food programme) during the Easter holidays which was well attended. A range of different activities took place from crafts to sports. A great time was had by all. Further HAF courses will be running through ATTFE College in

August 2022 to which any young person aged 6-16 is welcome to attend.

Here at ATTFE College we are always really keen to capture learner voice. Recent learner focus groups have proved really valuable in you sharing what is working well and what we can do to improve further. We are really keen to take on board your ideas / suggestions / thoughts and work with you to ensure we get the best outcomes for all learners, staff and

governors. Please therefore feel you can share your views at any point regarding what we can do better.

I wish you an enjoyable weekend when it arrives.

Simon Martin

Safeguarding Update

Hello Everyone

Welcome back from the Easter Break, I hope that everyone had a good break and holiday.

Time away from College and in a different routine and environment can sometimes be challenging, so if you feel that you would like any support from us, please talk to your tutor or with whichever member of staff you feel most comfortable. You will always be listened to and taken seriously.

Remember we also have the 'I Want to Talk' button on our website if you prefer to get in touch that way - [I Want To Talk Button - Academy Transformation Trust Further Education \(attfe.org.uk\)](https://www.attfe.org.uk).

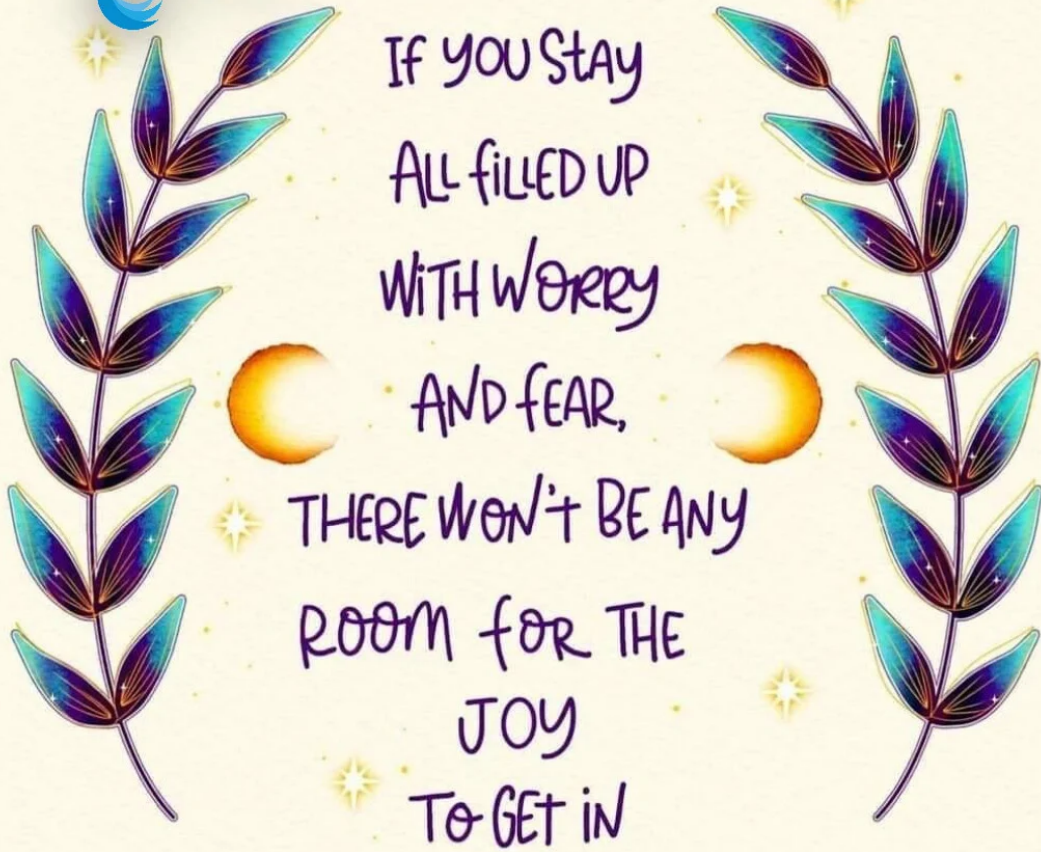

Many thanks

Simon Martin
