Issue 4 - Friday 4th November 2022

ATTFE COLLEGE'S MONTHLY THEME - NOVEMBER 2022

Liz Barrett OBE

Principal

Dear Learner

I hope that you are keeping safe and well.

There are lots of positive comments about the learning and progress you are making from the quality of education team when they are visiting your classes. Always feel that you can speak in an open, transparent and honest way with any member of ATTFE College staff. We take your feedback seriously and are always keen to ensure that together we deliver the best quality learning experiences possible.

ATTFE College staff take time and care every two weeks to produce this learner newsletter for you each week to ensure that you are kept up-to-date with key messages from the ATTFE Family. Should you prefer a printed version of this learner newsletter then please let your tutor know and we can facilitate this for you.

ATTFE College and 'Let's All Eat' are working with a team of volunteers and sponsors including Swift Tool Precision Engineering to provide a fabulous **FREE Christmas dinner for people within the Ollerton and Ashfield Community to enjoy**. We are keen that individuals who may be spending Christmas on their own, or families who will struggle to provide a Christmas dinner this year are all invited. If you or anyone you know would like to attend these events then please phone the number below highlighted yellow.

The Ollerton Christmas meal is at the Lifespring Church on Tuesday 20th December @ 6pm. The Ashfield Christmas meal is at Sutton Community Academy on Thursday 22nd December @ 12.30pm. To make a referral for an individual and or family please phone [07867451424](tel:07867451424) by the 12th December 2022.

We are keen for as many of our learners to join us as possible.

Enjoy your weekend when it arrives.

Take care and keep safe.

Safeguarding Update

Hello Everyone

You may well be aware of, and heard and seen, Christina Aguilera's re-release of her hit song 'Beautiful' - see link below.

It has a very powerful and moving video accompanying it which focuses on the issues of social media, body image and mental health.

<https://www.youtube.com/watch?v=7kEwGXLdbZ8>

These are serious issues for young people and adults in our society and culture and Christina must be applauded for coming out and making a stand against the pressures that many are feeling in a very destructive way.

If you are feeling difficulty or pressure in this way - we know that many learners do - please talk to us. We can help, and if we can't, we have access to a wide range of other support and agencies who can.

Many thanks

Simon Martin, DSL

Please find below information about local cost of living hubs where you can access information and support during these difficult times.

I hope that you have had a lovely break from your studies. This week we have a further selection of job vacancies in the areas that you live. Please take time to read through and share with family and friends.

In following newsletters, I am going to be including some of the skills that employers are looking for alongside the vacancies for that week. In doing this, you will be able to match your skills to that of the vacancy and improve your confidence in making that job application.

If you are successful in securing employment from the vacancies that we list, then why not let us know and you could feature in one of our newsletters.
