Issue 10 - Friday 24th February 2023

Staying Safe

ATTFE College's Monthly Theme - February 2023

Liz Barrett OBE

Principal

Dear Learner

I hope that you had an enjoyable half term holiday.

Programme of Study learners continue to focus upon all elements of our curriculum this term. Additional catch-up learning is being put in place by our team to ensure you have the strongest opportunity possible to achieve your qualifications especially in English and Maths. If you feel we can do more to support you then please alert us.

Adult education learners are engaged in a wide range of different learning which is exciting to see. Together we are all having an additional focus upon upskilling in Maths through the multiply funding stream.

The counselling team are developing some innovative counselling placement opportunities along with a Level 5 course for next academic year. Both of these initiatives respond to learner voice which always matters to us.

If you have an idea/suggestion/query or question then please shout up.

Enjoy your weekend.

Liz Barrett OBE
Principal

Safeguarding Update

Hello Everybody

One of the greatest current risks to health and wellbeing, for most people, families and households, is the ongoing cost of living pressure and stress.

At ATTFE we are doing a great deal to help alleviate that, especially through our Let's All Eat Food Pantries, and our 10,000 Dinners campaign. These have been outlined in previous Newsletters and on our social media but if you would like some information and to find out how to benefit from these please call **07867 451424**.

The local councils are also doing what they can to support their local residents in lots of different ways. They have this information on their websites, so you can find it pretty easily, but here also are links straight to them as below:

Ashfield District Council [Cost of living support – Ashfield District Council](#)

Newark and Sherwood District Council [Search | Newark & Sherwood District Council \(newark-sherwooddc.gov.uk\)](#)

Please talk to a member of ATTFE staff if you or your family would like any help in accessing any of these services.

Many thanks

Simon Martin
