## ATTFE College Coronation Event 2023!

Liz Barrett OBE

**Principal**

Dear All

**ATTFE College celebrated the King's Coronation** and Life in Modern Britain this week with two large scale community events to mark this special occasion. One event was held at Sherwood Forest and the other on Sutton Lawn. Both events enabled people from within the communities that we serve to attend, local primary schools to actively get involved, partnership people to join in and support our celebrations as well as including ATTFE College learners.

THANK YOU to all of our fabulous PoS learners who got involved in these events. ATTFE College staff are incredibly proud of you and all that you have achieved. It was wonderful to see you all actively involved in ten hours of work experience and ensuring that our event was in safe hands. There were so many positive comments about what you were doing and achieving. Everyone involved really valued your care, your time, your support. **You were / are BRILLIANT and we are very PROUD of YOU!**

We will be asking PoS and adult tutors with learners who attended the events to show you photos from the event this next week.

Enjoy the King's Coronation celebrations this weekend and **remember there is no College**

**on Monday as it is a Bank Holiday.**

**Take care.**

Simon Martin

## Safeguarding Update

Hello Everyone

Many thanks to all learners, especially our 16-19-year-old students, for the sterling work undertaken at the two Coronation Picnics this week. They went extremely well and the safety of well over a thousand primary schoolchildren who attended, their staff and parents, as well as all of our learners, staff and other visitors, was very well looked after. Our students played a very big part in this through their presence and work as stewards and marshals. Everybody, including the professional performers and Alex Peace-Gadsby, who attended both events as Nottinghamshire's Deputy-Lord Lieutenant,

were extremely impressed.

You have probably heard in the media about the various security concerns surrounding the upcoming Coronation celebrations. These will obviously be in the public arena, in public spaces with many millions of people present, not just in London but at mass participation events around the country.

This gives further implications for the greatest perceived UK threat of attack at the moment which is known as 'self-initiated terrorism' (formerly known as 'lone wolf' or 'lone actor'), from all ends of the ideological extremist spectrum. The attached Briefing gives some further detail on this. We have shared information of this nature before but you may find it useful to have a look through, just to remind yourself of what to be aware of if you are about and about over the next few days.

Enjoy the additional Bank Holiday weekend.

## Learner Shoutout

Congratulations to Florin on being accepted to train for the Police force.

We're really proud of you!

## Uniformed Services

"I would like to express my sincere appreciation to all the staff, and fellow students who have made my journey at college a success. I could not have made it without your support, encouragement, and guidance. I will keep in touch about how it goes, and see you later next year in the uniform."

## Congratulations Florin!

Florin has completed his Uniformed Services course at ATTFE College and successfully gained employment.
