

ATTFE College Learner Newsletter

Issue 17 - Friday 7th July 2023

Liz Barrett OBE

Principal

Dear All

This will be our last learner newsletter of 2022/23. **WOW and very well done to all that you have achieved this year.** It is always precious to share your learning journey with you. Take a moment to reflect upon what you can do now that you couldn't do at the start of your course. These can be educational skills such as being able to build a wall, lead a counselling session or create a spreadsheet but they can also be transferable skills such as feeling more

confident, working better in a team and knowing how to put together a strong CV.

Lifelong learning is just that! It doesn't need to stop even if your course has finished. Please contact us via our college email address college.info@attfe.org.uk if you would like a member of the team to contact you to discuss your next steps. In the world of education this is known as Careers, Education, Information, Advice and Guidance (CEIAG). ATTFE College ensures that it gives meaningful and balanced CEIAG which is tailored to you and your next steps.

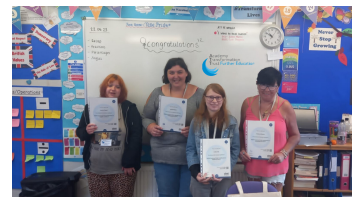

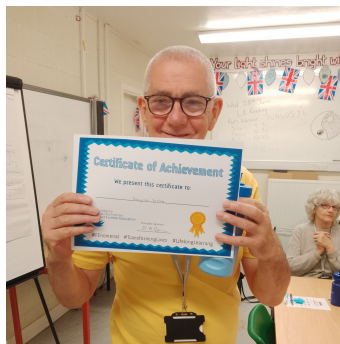

No two weeks within ATTFE College is ever the same. I am therefore going to sign off this learner newsletter and indeed this academic year with a range of different

learner impact photos from the last two weeks! WOW!

Well done to all.

Liz Barrett OBE

Principal ATTFE College

Simon Martin

Safeguarding Update

Hello Everyone

Many courses are starting to wind down now as students complete their programmes, and may not be in College so much because the teaching input has ended and assessments, tests and exams have been completed. For 16-19-year-old students there is the completion date of 14 July and so it is likely that you will be in much less after this date.

However, ATTFE College still maintains its safeguarding care for students, particularly those that are returning to us next year, so that the summer is really just a break in between learning programmes. So, please remember that even if you are not in College so much, you can contact us with any issues or concerns via the "I Want to Talk" button on the Home page of our website at

[Home - Academy Transformation Trust Further Education \(attfe.org.uk\)](http://attfe.org.uk).

Learner Shoutout

Well done to our Programme of Study learners for their **#FEnomental** achievements this academic year!
