EVOLVE

Alternative Provision

Empowering Young People to Re-engage, Grow and Succeed.

At **EVOLVE Alternative Provision**, we support young people who need a different approach to education. Our nurturing, trauma-informed environment helps learners rebuild confidence, develop life skills, and achieve meaningful progress both academically and personally. EVOLVE is an inclusive learning space which provides a natural sense of belonging.

What We Offer

Specialist Training

Practical, skills-based learning designed to inspire engagement and build future opportunities.

Bespoke Learning Programmes

Individualised learning plans tailored to each young person's strengths, interests, and needs.

Emotional & Social Support

A safe, supportive environment where young people can develop confidence, resilience, and positive relationships.

Therapeutic Interventions

Supportive therapeutic approaches that help young people understand and manage their emotions and experiences.

Life Skills Development

Real-world skills that prepare learners for independence, employment, and everyday life.

Transition Support

Guidance and preparation for successful transitions back into mainstream education, further training, or employment.

Our approach:

- ✓ Trauma-informed practice
- ✓ Child-centred learning
- ✓ Strength-based support
- ✓ Holistic development
- ✓ Partnership with families and professionals

Family & Carer Support

We work closely with parents and carers, recognising that strong family partnerships are key to a young person's progress. Our team offers guidance, communication, and support throughout the journey.

Our Mission

To help young people re-engage with learning, build resilience, and develop the skills they need to thrive in education, work, and life.
