

Jennifer Mosley

Jennifer has been with ATTFE College and doing catering as well as sugarcraft since 2021. Jennifer is not only excellent at doing catering buffets but has now progressed to making sugarcrafted cakes.

The first course that Jennifer attended was the Meet, Greet, and Eat course. From then Jen has done numerous courses over the years and has become a valued student.

Jen has done many catering events and in Jens words how she feels and what it means to her to be part of Butterfly Bakery and volunteering for ATTFE College are:

- It has helped build her confidence
- Gives her a purpose to get up in the morning
- Sense of achievement
- Learnt new skills
- Made new friends for life
- Attending the events, feeling part of it
- Loves to do things for the community

Caroline Woolston

Caroline joined me on the beginners sugarcraft course in 2022. Caroline has again completed numerous courses, as well as making excellent buffets Caroline too has become very good at sugarcraft and has produced some excellent cakes Both Caroline and Jennifer made the first Planetarium cake which was for the event in Caunten. Caroline has over 165 sugarcraft books now from various finds, so is always looking for new skills and trends.

For Caroline being part of Butterfly Bakery and volunteering for ATTFE in her own words are:

- Building your skills set and confidence
- Being part of a team and the belonging
- Being able to make a cake at a professional level
- Attending the events and doing good things for the community
