Learner Success Story – Stewart

Course: Creative Crafts | Location: Warsop Town Hall

"I joined the Creative Crafts course because I wanted to meet new people and improve my learning. Throughout the course, I discovered how to express myself through art and even found a brand-new hobby I really enjoy.

With amazing one-to-one support from my tutor, Emma, I was able to grow in confidence and develop my own artistic style. I'm proud to have achieved both a Level 1 Customer Service accreditation and a Level 1 Creative Crafts accreditation through ATTFE College.

This course has inspired me to be braver and more open to trying new things. I've gained not just new skills, but also new friendships, and I feel much more confident in myself.

I plan to keep learning and hope to join more courses at Warsop Town Hall in the future. I would definitely recommend ATTFE College to friends and family—they offer such fantastic learning opportunities for people in the community.

Joining a course like this really lifts your spirits and gives you a real sense of achievement."
