Academy Transformation Trust Further Education

@attfe_college

ATTFE College

ATTFE College

Welcome from our Principal

Academy Transformation Trust Further Education (ATTFE) College has a personalised approach towards learning, ensuring that everyone is fully able to achieve their learning goals.

We offer a wide range of courses for 16 to 19 year-olds through our Programme of Study for Post-16 Education.

In our course guide, you will find details of the courses that we offer, starting in September 2027.

All Programme of Study learners will engage in main aim learning, English, maths, work experience and enrichment. We are very proud of our high quality courses and excellent learning facilities.

Our students have high pass rates and most go on to further vocational learning, good quality apprenticeships, or employment.

We look forward to welcoming you!

Liz Barrett OBE DL
Principal

For more information regarding our Programme of Study (PoS) Provision, please visit our ATTFE College website at www.attfe.org.uk, or by scanning the QR Code below to visit our PoS Provision webpage:

***Disclaimer:** Academy Transformation Trust Further Education reserve the right to modify any of the courses, fees or details of the courses in the guide. Whilst it is hoped that all courses listed will run, there is no guarantee that this will be the case and courses with insufficient numbers may be discontinued at any time if regular attendance falls too low. Please note that the ESFA review and change funding linked to courses each academic year which, in turn, shapes our provision offer.*

Vision

Our Vision is to be recognised as an outstanding provider of Further Education and be the provider of choice of our local communities.

Mission

Our Mission is to bring together people who are dedicated to developing and delivering high-quality learning, ensuring all learners acquire skills and develop knowledge that equips them to lead more fulfilled lives and play their part in driving up the growth of our local and regional economy.

Values

Achievement – Succeeding and celebrating together
Teamwork – Listening to staff, learners and stakeholders
Transformation – Driving continual improvements
Flexibility – Responsive to local needs
Equality – Caring for the wellbeing of all staff and learners.

Ethos

Academy Transformation Trust Further Education (ATTFE) College strives to raise the aspirations and achievements of the communities that it serves, providing high-quality, innovative education and training for learners who are aged 16+ (including adults).

We take a learner-centred approach towards education and lifelong learning opportunities that supports the learning needs of the local environment.

At ATTFE College, learners pursue their educational goals in an inclusive environment that values and celebrates diversity, individuality, mutual respect, civic responsibility and social integration.

Equality and diversity is central to all practices and policies within ATTFE College. It is an organisation where everyone respects each other and recognises their own responsibility in actively promoting equality.

Our aims are to ensure that we meet the needs of all, taking account of:

- Gender, ethnicity and culture
- Religion, creed and language
- Sexual orientation, age and health
- Ability and disability
- Social and economic circumstances.

ATTFE College is committed to the regeneration of the communities in which its learners live and is committed to working through collaboration, consultation and partnership with the wider community.

Our Facilities

Sutton Community Academy

High Pavement, Sutton in Ashfield, NG17 1EE

Sutton Community Academy is right in the centre of Sutton-in-Ashfield and is easily accessible by foot or bus.

Open Learning Centre

Whinney Lane, New Ollerton, NG22 9TD

The Open Learning Centre, nestled within the Dukeries Academy campus, offers a dynamic range of learning spaces tailored to support various programmes, including Hair & Beauty, Construction and Bricklaying.

ATTFE Vehicle Technology College

Beacon Court, New Ollerton, Newark, NG22 9QL

The Motor Vehicle facility and workshop is located at the Beacon Court industrial estate, Unit 16, in Ollerton.

ATTFE College also have multiple **community learning venues** that are located across Sutton-in-Ashfield town centre.

FREE Minibus Service

We have specialist facilities for our Construction and Hair & Beauty provision at our Dukeries campus, and our New Ollerton campus is a working mechanics garage.

To support you in accessing the course that is of interest to you, we offer a free minibus service!

The minibus operates daily between the three campuses, meaning you can study the course you are most interested in, no matter where you live!

Learner Support

Whilst you are studying with ATTFE College, there is lots of support available to help you in any way you need.

In order to help you reach your full potential whilst studying with us, we offer bespoke support to assist you every step of the way. Small class sizes allow us to offer a more personalised learning programme meeting the individual needs of our learners.

Careers Education, Information, Advice and Guidance

At ATTFE College, we're committed to delivering high-quality Careers Education, Information, Advice and Guidance (CEIAG).

Learners are offered regular one-to-one careers meetings throughout the year to provide tailored support and track progress. We aim to hold the first meeting early in the academic year and build in flexibility to ensure sessions are timely and accessible.

During your careers interview, we'll discuss your current course, future plans, work experience, and explore options that match your interests.

Personal Development & Enrichment

At ATTFE College, learning goes beyond the classroom. Alongside your programme of study, you'll take part in a range of personal development and enrichment activities designed to prepare you for life and your future career.

Through Personal, Social, Health and Economic (PSHE) Education, you'll explore topics such as health and wellbeing, safeguarding, healthy relationships, equality and diversity, British Values, online safety, and careers. These sessions will help you build confidence, resilience, independence, and the skills needed to make informed decisions and succeed in education, employment, and beyond.

Team ATTFE College

Learner Support

Free Breakfast

Here at ATTFE College, we believe that it is important that every learner enjoys a healthy breakfast before the start of a day of learning. As such, ATTFE College provides a **FREE** breakfast for all Programme of Study learners to help provide fuel for learning!

Wellbeing Resources

Your wellbeing is important to us, and we are committed to supporting your health, wellbeing and success throughout your time at college. You'll have opportunities to take part in a range of activities and events that promote positive mental, emotional and physical wellbeing.

Our dedicated **Inclusion Team** is here to support you every step of the way. The team has expertise in areas including neurodiversity, mental health, emotional wellbeing and therapeutic approaches, ensuring you receive personalised support that meets your individual needs. Whether you need advice, or someone to talk to, we're here for you. Additional support is available through our counselling service, and our much-loved therapy dog helps create a calm and welcoming environment for learners.

You'll also have access to a wide range of wellbeing resources through our Wellbeing webpage and YouTube channel. From Tai Chi, Qi Gong and Yoga to beginner-friendly exercise sessions and wellbeing activities, there's something for everyone.

At ATTFE College, we encourage all learners to develop healthy habits, build resilience and take positive steps towards maintaining their wellbeing, preparing them for success in education, employment and everyday life.

For more wellbeing support and resources, visit our Wellbeing page on the ATTFE College website or explore our ATTFE College YouTube channel, where you'll find a range of helpful videos and guidance to support your health and wellbeing.

Safeguarding & Prevent

ATTFE College ensures learners are fully aware of Safeguarding and the PREVENT strategy. This is done through class induction, timetabled into the curriculum, taught in sessions, visible on wall displays, in Learner Newsletters and on our social media platforms and website.

ATTFE College has a Designated Safeguarding Lead, Deputy Designated Safeguarding Lead, and Safeguarding Officers. You will be given their details when you start your course in September 2026. You will also be issued with your ATTFE College email address which will allow you access to our 'I Want To Talk' button.

Bursary Information

It is the policy of ATTFE College to optimise the use of 16-19 Bursary funding to provide support to those young people facing the greatest financial barriers to continuing in education. ATTFE College is committed to ensuring the fund is used to support financially disadvantaged young people to achieve their learning aims.

16-19 Discretionary Bursaries are targeted at learners most in need of financial help for items like transport, meals, books, equipment and curriculum related activities.

Every learner will be able to apply for 16-19 Bursary when completing their enrolment form (this includes providing evidence where relevant). This will then be reviewed by the appropriate staff and learners will be notified of the outcome within two weeks of receipt of the application.

For learners who live more than 3 miles from their place of study or placement, public transport (e.g. bus tickets), travel costs per day of attendance will be reimbursed upon production of valid receipts.

If you require any further information with regards to the 16-19 bursary application process, please contact Sally Strickland at Sally.Strickland@attrust.org.uk.

5 Reasons to Study with Us

1

Develop your skills

You'll develop understanding and learn skills relevant for your subject area, as well as having plenty of opportunities to develop English, maths and IT skills, along with key employability skills!

2

Make yourself stand out

There is more competition than ever before for jobs, apprenticeships and places on Higher Education courses. Studying a course with ATTFE College will help you gain the knowledge, skills and experience needed!

3

All-round support

We don't just focus on your academic achievement; we are passionate about holistic development and wellbeing. We want to help you become the best person you can be, allowing you to achieve your best and BE your best!

4

Real world learning

Studying a course with ATTFE College isn't all about classroom learning. We aim to get you learning in real world environments wherever possible. We also have fantastic onsite facilities allowing you to train with industry standard equipment!

5

Support local communities

We are passionate about supporting and giving back to our local communities, where our campuses are based at their very hearts. You'll have plenty of opportunity to get involved in community outreach projects, all whilst studying right on your doorstep!

Construction & Building Services

About this Course

Property Maintenance Operations

Learners explore the mechanisms of buildings including plumbing, plant, safety systems and equipment. They learn how to provide first and immediate response to fault finding, ensuring the prevention of major damage and minimising reactive intervention.

Bricklaying and Site Carpentry

Learners carry out work experience with an external company, allowing them to put their classroom skills into practice. This can help secure an apprenticeship, employment or assist you with your application for university. We recommend that you start thinking about your placement as soon as you have applied for your course, considering which potential employers you may want to undertake the placement with to help you get the most out of the experience.

Assessment

These courses are assessed by online assessment and a portfolio of evidence detailing practical tasks.

Destinations

These courses support learners who wish to move into a trade career, either employed or self-employed. Learners who complete their courses can look into completing further qualifications at higher levels or moving into further specialised areas, such as plumbing, electrics or facilities management.

Qualifications Available:

- **Level 1 Diploma**
Site Joinery
- **Level 2 CSkills Diploma**
Building Maintenance Operations
- **Level 2 CSkills Diploma & Extended**
Bricklaying Construction
- **Level 2 CSkills Diploma & Extended**
Site Carpentry Construction
- **Level 3 Diploma**
Craft Bricklayers
- **Level 3 Diploma**
Craft Carpenters and Joiners
- **Level 3 Diploma**
Site Joinery
- and other opportunities!

About These Qualifications:

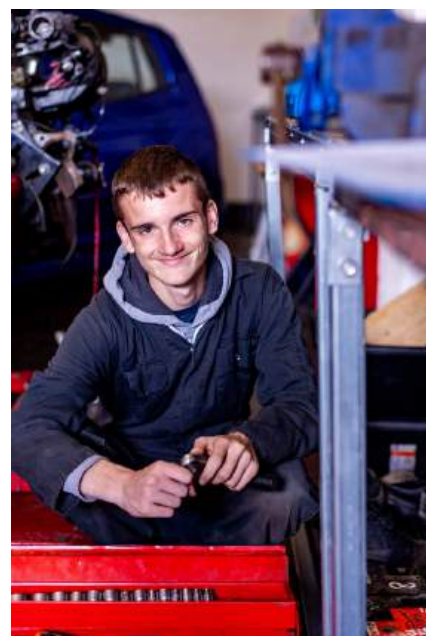

These qualifications focus on helping learners to develop practical workplace skills in their specific subject area, with the ultimate aim of pursuing a career in the trade of their choice.

Though the teaching will be practical and skills based, there will be theory elements to support the practical work.

Learners will develop specialised skills that will facilitate their transition into the workplace, with the potential to progress to management and overseer roles.

About this Course

The programme of our Vehicle Maintenance courses involves learners studying both the theory and practical aspects of the essential knowledge and skills required by today's motor vehicle repair industry. Learners also gain a broad knowledge and understanding of health and safety in the workplace and other skills associated with working in a garage.

Assessment

These courses are assessed by a combination of written and practical tests, as well as online assessment.

Destinations

These qualifications have the potential to provide useful recognition of learners' professional competence, which may aid them in securing jobs and progression into the vehicle and cycle maintenance industries. They may also provide a stepping stone to further education, potentially at degree level.

Qualifications Available:

- **IMI Level 1 Diploma**
Transport Maintenance
- **IMI Level 2 Diploma**
Light Vehicle Maintenance & Repair Principles
- **IMI Level 3 Diploma**
Light Vehicle Maintenance & Repair Principles
- and other opportunities!

About These Qualifications:

Our light vehicle qualifications are nationally recognised, vocational and vocationally-related qualifications which allow learners to demonstrate that their knowledge, skills and competence are of the standard required to work in the motor industry.

They are designed to help you build and showcase your skill set within this sector and cover areas such as the inspection, maintenance, repair and servicing of light vehicles.

About this Course

These courses are ideal for those with an interest in the areas of hair and beauty, who are looking to develop their practical skills, knowledge and techniques.

Learners will have the chance to work in our bespoke hair salon and beauty therapy rooms. We offer our services to the general public, giving you the opportunity to experience a genuine work environment. Here you will practice all elements of your course under the supervision of our fully trained tutors.

Assessment

These courses are all assessed through a learner portfolio evidencing your practical work, in addition to online assessment.

Destinations

Our lower-level courses support learners with little or no previous experience to develop their knowledge, confidence and practical skills. From there, learners can progress onto our Level 2 and Level 3 Hair, Beauty and Nail qualifications, building their technical skills and industry knowledge. Once learners have successfully completed a Level 2 or Level 3 qualification, they can

progress into further education, apprenticeships, or employment within the Hair, Beauty and Nails industry, including roles in salons, spas, cruise ships, nail bars, retail, self-employment or specialist treatment areas.

About These Qualifications:

Our qualifications are designed to develop your passion for the Hair, Beauty and Nails industry, giving you the knowledge, practical skills, and confidence needed for further study or a successful career.

You'll gain hands-on experience in a wide range of professional treatments and techniques, including hair styling, cutting, colouring, bridal hair, skin care, facials, waxing, lash and brow treatments, make-up application, nail art, manicures, and nail enhancements. Throughout your course, you'll also develop the professional behaviours, customer service skills, and industry knowledge employers value, helping you become salon-ready and prepared for higher-level study or employment.

Qualifications Available:

- **Level 1 Diploma**
Introduction to the Hair & Beauty Sector
- **Level 2 Diploma**
Hair & Beauty
- **Level 2 Diploma**
Women's Hairdressing
- **Level 2 Diploma**
Nail Services
- **Level 3 Diploma**
Women's Hairdressing
- **Level 3 Diploma**
Nail Technology
- and other opportunities!

Supporting Teaching & Learning

Uniformed Public Services

About this Course

In all our supporting teaching and learning courses, you'll learn about the growth and development of young children, job roles within the sector and how you can work within a team to support teaching and learning over a wide range of ages.

You will also gain personal learning skills, an awareness of equality, health and safety, and communication.

Learners receive great tuition and support throughout the course, which will include a

variety of coursework, case studies and real work environment experience.

At higher levels, learners focus on safeguarding the welfare of children, supporting the assessment of children and young people and how you work with children and young people with additional needs.

You will be expected to undertake a placement within a school environment this can be either a primary, secondary or college environment as the courses cover children and young people between the ages of 5-19 years.

Assessment

Assessment is partially through portfolio produced work and partially from placement observations and experience.

Progression

Learners who complete their courses can progress directly to courses at higher levels of study or transfer to the workforce to pursue a career in Supporting Teaching and Learning. Higher level courses may help learners secure supervisory or management positions.

Qualifications Available:

- **NCFE CACHE Level 1 Award/Certificate/Diploma**
Caring for Children
- **NCFE CACHE Level 2 Award**
Support Work in Schools and Colleges
- **NCFE CACHE Level 2 Certificate**
Supporting Teaching and Learning
- **NCFE CACHE Level 3 Diploma**
Supporting Teaching & Learning
- and other alternative courses!

About These Qualifications:

The Level 2 Award and Certificate covers a wide range of areas including children and young people's development, supporting children and young people's positive behaviour and communication and professional relationships.

Level 3 Diploma covers all aspects of specialist support including planning, delivering and reviewing assessment strategies to support learning alongside the teacher; bilingual support; special needs support; and personal development and reflective practice.

About this Course

The primary purpose of this qualification is to prepare you to enter employment in the Uniformed Services sector.

This qualification is designed to give you a good insight into the practical activities which the uniformed services require. You will research and visit a range of extended uniformed services, developing a broad understanding of the uniformed services sector, investigating employment opportunities, developing wellbeing, physical fitness and self-discipline, building team-working skills, and understanding health and safety.

Optional units may provide opportunities to carry out map reading and navigation, explore volunteering opportunities, participate in competitive sport and take part in adventurous activities.

Assessment

These courses are assessed through a portfolio of evidence and observation of work-based practice.

Destinations

Learners who achieve at Level 1 might consider progression to the Level 2 qualification in Entry to the Uniformed Services.

Successful completion of the Level 2 course could lead to employment in a number of job roles in the uniformed services, which include the Army, Navy, RAF, Fire and Rescue Service, Police, Prison Service and more. Level 3 learners may have the option to progress to higher education study.

About These Qualifications:

These qualifications aim to provide informed and prepared potential recruits.

They enable learners to prepare to make a recruitment application or provide a basis for further study and progression towards the entry qualification of a specific service, providing learners with an insight into the practical qualities they require, not only for uniformed services, but also for employment in general.

Qualifications Available:

- **Level 1 Diploma**
Entry into the Uniformed Services
- **Level 2 Diploma**
Entry into the Uniformed Services
- **Level 3 Diploma**
Entry into the Uniformed Services
- and other opportunities!

About this Course

All our childcare courses cover child development, roles in Early Years Education, and how to plan activities that support children's growth through observation and assessment. You'll also build skills in communication, equality, health and safety, and personal development.

Learners benefit from excellent tuition, a mix of coursework and case studies, and real-world work experience.

Assessment

These courses are assessed by an online assessment and a portfolio of work based evidence.

Destinations

Learners who complete their courses can progress directly to courses at higher levels of study or transfer to the workforce to pursue a career in Early Years Education. Higher level courses may help learners secure supervisory or management positions.

About These Qualifications:

Our Childcare courses provide a clear progression into Early Years Education. Level 1 offers an introduction to the sector, ideal for those who enjoy working with children and want to explore a career in childcare.

Qualifications Available:

- **NCFE CACHE Level 1 Award/Certificate/Diploma**
Caring for Children
- and other opportunities!

About this Course

If you're unsure about which career path to take, our Employability Course is here to guide you. This program focuses on developing essential soft skills such as confidence and resilience, while also providing practical support with CV writing and preparing for the workplace.

You'll gain core skills applicable to any field, along with specialised sector-specific training in areas like Retail, Hair & Beauty, Business Administration, Customer Service, Hospitality, Digital, and more.

This course serves as a stepping stone, helping you transition smoothly into the right educational pathway, apprenticeship, or even employment opportunities. Let us help you take the first step towards your future!

Assessment

These courses are all assessed through a portfolio of evidence; some also require an online assessment.

Destinations

All courses support the development of subject-specific skills, allowing learners to progress to higher-level qualifications in their chosen area of study. Alternatively, learners who complete these qualifications gain the skills necessary to move into the workplace and pursue careers in these trades.

About These Qualifications:

These foundation courses are designed to enable learners to access vocational qualifications from Entry Level 1 through to Level 2, depending on their level of learning.

They can also complete varying sizes of qualifications at each level, from Award through to Diploma. Being able to build up achievement in incremental stages can help support intrinsic motivation for learners, whilst developing character education

Qualifications Available:

- **NOCN E3**
- **NOCN L1**
- and other opportunities!

Preparation for further Learning or Employment to include Core Skills and Optional Units.

Enrichment Activities

Throughout the year, you'll take part in a variety of Personal Development activities, including trips, visits, workshops, and employer events. These experiences are designed to develop your personal skills, broaden your understanding of the world, and prepare you for your future.

While these enrichment activities do not lead to a formal qualification, they are a compulsory and valuable part of your course. They also provide opportunities to meet local and national employers, build your professional network, and gain real-world insights—all while having fun along the way!

Three-Peaks Challenge

Each year, our PoS learners take on the Yorkshire Three Peaks Challenge, raising funds for the **Rossendale & Pendle Mountain Rescue Team**. This rewarding experience builds resilience, teamwork, and determination, while supporting the incredible work of a local charity.

Nottinghamshire Fire & Rescue Service Visits

ATTFE College works closely with **Nottinghamshire Fire & Rescue Service**, giving our Programme of Study learners the opportunity to take part in educational visits and support a range of community and charity events throughout the year. These experiences provide valuable insight into the emergency services while helping learners develop confidence, teamwork, and community awareness.

Boggle Hole Residential

Our Programme of Study learners take part in a residential visit to Boggle Hole, where they challenge themselves through a range of outdoor activities and step outside their comfort zones.

The residential delivers far more than just an enjoyable few days away. Learners develop confidence, resilience, communication, teamwork, independence, and leadership skills, while improving their wellbeing, creating lasting memories, and gaining valuable experiences that prepare them for their future careers.

Evolve+

What is Evolve+?

Evolve+ is a **specialist post-16 programme** that provides a supportive transition into adulthood, further education and employment. If you need a more personalised pathway, Evolve+ offers a calm, flexible environment where you can build confidence, develop new skills and discover your future.

What you'll do:

- Develop essential life skills for greater independence.
- Build emotional literacy, resilience, confidence and self-esteem.
- Improve your social and communication skills.
- Prepare for adulthood, work and your next steps.
- Explore different career pathways before choosing what's right for you.

Try a range of vocational areas, including:

- Hair & Beauty
- Animal Care
- Catering
- Creative Art
- ...and other practical subjects throughout the year.

Who is Evolve+ for?

Evolve+ is ideal if you would benefit from additional support, including young people with an EHCP, neurodivergent profiles, social, emotional or mental health needs, or those who have found previous education challenging.

With small group learning, personalised support and a focus on helping you succeed, Evolve+ gives you the opportunity to grow in confidence, discover your strengths and take positive steps towards your future.

Upcoming Courses

New Opportunities Coming Your Way!

At **ATTFE College**, we're always looking ahead and finding new ways to support your goals and ambitions. By listening to learner feedback, understanding your interests, and working closely with industry partners, we continue to develop exciting courses that reflect the skills, knowledge, and experiences employers are looking for.

We're committed to expanding our course offer with innovative and engaging programmes designed to inspire your future, support your career goals, and help you achieve your potential.

Keep an eye on our **website and social media channels** for the latest course updates, new opportunities, and exciting announcements. Your next step could be just around the corner!

#InThisTogether

Quality Assurance

Inspection date: 6th – 9th June 2023

We are delighted to be able to share with you the great news that in our latest Ofsted inspection, ATTFE College was graded as **Good**, with **Outstanding** personal development and adult Learning programmes.

“Outcomes for learners are good.”

“The arrangements for safeguarding are effective.”

“Tutors have high expectations for learners, plan lessons well and make learning interesting and enjoyable.”

ATTFE College is awarded the **Inclusive School Award** with Centre of Excellence status from Inclusion Quality Mark (IQM).

The award is a validation of our current practices and our commitment to promoting access and diversity, raising achievement for all, and creating an environment for all to succeed.

Our efforts have been recognised by IQM, who quoted that “ATTFE is truly in **the heart of the community**, it is a true community effort. The ultimate goal is around social mobility for the local community and they are hugely instrumental in driving in achieving this.”

We're thrilled to have received such positive feedback from a parent as well commented, “without a doubt, **my child has had an amazing experience** and they wouldn't be where they are now if it hadn't been for ATTFE College.”

EMPLOYER RECOGNITION SCHEME

GOLD AWARD 2021

Proudly serving those who serve.

The Employer Recognition Scheme (ERS) acknowledges employers that provide exceptional support to the Armed Forces community and Defence by going above and beyond their Covenant pledges. The Employer Recognition Scheme awards are renewed every five years.

How to Apply

Ready to Join an ATTFE College Post-16 Course?

If you're aged 16–19 and would like to express your interest or enrol, simply scan the QR code below to complete our quick online application form.

You can also find the form on our website in the 'Course Enquiry' tab on our website's homepage: www.attfe.org.uk/course-enquiry/

Prefer to chat with us directly?

Email: college.info@attrust.org.uk

Call: 01623 441310

This Programme of Study (PoS) Course Guide gives you an overview of the exciting courses we offer for 16–19-year-olds. But the learning doesn't stop there! We have a wide range of opportunities for adults aged 19+ too!

To explore everything we have to offer, visit www.attfe.org.uk.

We're always looking for ways to grow and improve. If there's a course you'd love to see but can't find in this guide, let us know! Email us at college.info@attrust.org.uk. We'd be happy to hear your ideas.

Frequently Asked Questions

1

What is college life like at ATTFE College?

ATTFE College offers a friendly, supportive and inclusive environment with dedicated tutors, enrichment activities, wellbeing support and opportunities to meet learners from different subject areas. You'll also have access to social events, personal development sessions and work experience opportunities to help prepare you for your future.

2

Will I need to study English and maths?

If you have not yet achieved the required GCSE grade 4 in English and/or maths, these subjects will form part of your Programme of Study. Our tutors will support you to develop these essential skills alongside your main course.

3

Is financial support available?

Yes. Eligible learners may be able to access financial support through the 16-19 Bursary Fund to help with costs such as travel, meals, equipment and course-related expenses. Speak to our team during enrolment for more information.

4

How will I travel between campuses?

We provide a free minibus service between our learning sites, helping learners access specialist facilities regardless of where they live or which campus their course is based at.

5

What support is available if I'm struggling?

We offer a wide range of support including learner support services, careers advice, wellbeing resources, mental health support, counselling services, wellbeing ambassadors and safeguarding teams. Our staff are here to help you succeed both academically and personally.

6

What happens after I complete my course?

Many learners progress to higher-level qualifications, apprenticeships, university or employment. Throughout your programme, you'll receive careers guidance and support to help you plan your next steps.
